

ARMHOLE DIAGRAM

Stitch counts are used as an example.
Substitute in stitch counts from the directions as needed.
Some patterns will have more or fewer different short row sets.

Cont working Short Row 3 back & forth until you have 5 (5, 8, 10, 11, 12, 13, 15, 16, 16) sts unworked on the far side, ending with a WS row (working its w&t).

Starting from the underarm center and going in a clockwise direction, pick up (do not knit, just pick up) 24 (29, 32, 35, 37, 40, 43, 45, 49, 50) sts, place 20 sts from the shoulder straps on needle, pick up 24 (29, 32, 35, 37, 40, 43, 45, 49, 50) sts. Pm for beginning of round at underarm center. 68 (78, 84, 90, 94, 100, 106, 110, 118, 120) sts.
